DIRECTIONS

Topo Gigio is located on the A240, approximately half way between the Tolworth Roundabout on the Kingston Bypass and Epsom.

If approaching from the Kingston direction: After passing an Esso garage and the Queen Adelaide pub, look out for a slip road on your left immediately before the parade of shops in which Topo Gigio is located. **It is easy to miss this slip road.** Turn left into the slip road. There is parking all along the slip road and ample further parking as indicated.

If approaching from the Epsom direction: After passing a Shell garage you will come to a roundabout signposted to Stoneleigh on the right. Continue straight on and after passing under a railway bridge turn right at the first traffic light into Stoneleigh Park Road. There is ample off-road parking on the right labelled "Further Parking" on the map above.
